The screenshot displays the Harmony JIRA Project Management Software interface. At the top, a dark red navigation bar contains the 'HARMONY' logo, a menu icon, and navigation links for Dashboards, Projects, Issues, Agile, and Structure. A yellow 'Create' button is prominently displayed. To the right of the navigation bar is a search bar and user profile icons. Below the navigation bar, a light gray banner contains security notices in Korean and English, advising against attaching sensitive documents and executable files. The main content area is titled 'SW Architect Certification Exam' with a key of 'LGSACERT'. It lists the lead as 김도윤/책임/SW공학(연)SW교육팀(doyoun.kim@lge.com) and provides the project URL. Below this, a tabbed interface shows 'Overview' and 'Administration' tabs. The 'Overview' tab is active, displaying a 'Summary' section with a welcome message and instructions on how to use the project page. A 'Get your project started' box on the right encourages creating the first issue by clicking the 'Create issue' button. The footer of the interface includes the Atlassian logo and version information (v6.4.11#64026-sha1:78f6ec4).
